

PRESIDENT'S MONTHLY MEMO

Can't believe how fast time flies and it's almost October and our SCC Club snowbirds are starting to come back. With the upcoming holidays our event calendar for the next three months is pretty full with all kinds of activities. Our event planners have been very busy putting together some wonderful events for everyone to enjoy. We also have numerous car shows planned and available to participate in. Therefore, please mark your calendar for all the activities scheduled for the next three months which are as follows:

- October 1st ... Vette Fest at Old Town in Kissimmee
- October 5th ... SCC Nightrider at Manero's in Palm City
- October 14/15th ... Murder Mystery Train & Revs car museum in Ft. Myers
- October 15th ... Space Coast Vettes on the Avenue in Melbourne
- October 22nd ... Brunch with Barry at Marsh Landing in Fellsmere
- October 29th ... Corvette Club of Palm Beaches car show
- November 2nd ... SCC Nightrider
- November 5th ... SCC Board meeting luncheon, **open to all members**
- November 13th ... SCC subsidized Thanksgiving Dinner at the Dolphin House
- December 7th ... SCC Nightrider
- December 10th ... Keiser Wheels & Motors Car show in Tradition
- December 10th ... SCC subsidized Holiday Party at Shuckers
- December 11th ... SCC Toys for Tots Car show at the Elliott Museum

I would encourage SCC member participation in the Space Coast Vettes, Corvette Club of Palm Beaches and the Keiser car shows. These organizations have supported our car shows for many years and our show would not be a success without their support. Therefore, if at all possible, please sign up for these shows in appreciation for what these organizations do for us.

At our Board meeting on September 17th, we discussed having a special event next year in February to celebrate SCC 35th anniversary. I would like to thank Pat Leone, Larry Tiernan and Peter Colgan for volunteering to organize an event.

At our Board meeting it was great to hear from Reese Horstman from Dyer Chevrolet in Fort Pierce on the latest corvette availabilities. Dyer Chevrolet has an incoming convertible Corvette scheduled to be built and is available for purchase. Should any one be interested please contact Reese at 772-461-4800 ext. 1178

MY MESSAGE AS IN THE PAST ... OUR CLUB CAN ONLY BE SUCCESSFUL AND CONTINUE IF YOU THE MEMBERSHIP GET INVOLVED.

Jerry Petriw
