

## PRESIDENT'S MONTHLY MEMO

We started February by celebrating the Stuart Corvette Club "SCC" 35<sup>th</sup> Anniversary with a Copacabana Dinner Show at the Dolphin Bar & Shrimp House. We had 78 members signed up and 74 in attendance and unfortunately had to turn some members away due to the restaurant capacity restrictions. SCC was established in February 1988 with approximately 8 members. As we celebrate our 35<sup>th</sup> Anniversary this year, we have grown to just short of 100 members and have had over 900 members come through our club in 35 years.

I am looking forward to our March 25, 2023 car show at Keiser University and hoping to beat our last year's turnout of 52 SCC cars and 162 total participants. Therefore, if you haven't signed up, please help support this SCC event by signing up. Please keep in mind 100% of the proceeds from this show go to support our charities.

I am also grateful to all our sponsors especially our major sponsor Dyer Chevrolet of Fort Pierce. It is because of their generous contribution to SCC that enables us to have a car show and help our charities who are in need.

We have begun our new year with lots of activities planned by our Entertainment Committee, let's make it a great year with a good member participation to all these events. These planned activities are a good way to meet new members and establish new friendships. So I look forward to more member involvement.

Upcoming events:

March:

- March 1, Nightrider at the Olive Garden in Port Saint Lucie (Tradition)
- March 11, Caribbean cruise for those that have signed up.
- March 17, Brunch with Barry

April:

- April 1, SCC Board meeting at the Dolphin Bar

**Members, this is your club and your club can only be successful and continue with membership involvement.**
