

## PRESIDENT'S MONTHLY MEMO

The Stuart Corvette Club "SCC" election of Officers and Board members will be coming up in June. A reminder the SCC corporate physical year for elections and dues runs from July 1 through June 30<sup>th</sup>. Therefore, I will be forwarding the elections ballot in May.

Since joining the Club over 10 years ago I have had the privilege of helping SCC in many ways from being a board member, car show head judge, amending the Club Bylaws, helping with many special events like our car shows to being the Club President for 5 years. Both Judi and I have made many new friends through the Club and have enjoyed all the Club activities. But after considerable thought I will be stepping down as President when my current term runs out on June 30, 2024. However, I will stay on the Board to help the club's new leadership.

The June Board meeting will be very important to the Club for we will be looking for members to take over the President and Vice President positions going forward. These positions can only be filled from a board member and voted on by the board in our election meeting. **We will have four board positions open this election cycle, and the good news, I do have one volunteer for the board and to take over as President.** However, I do need 3 more volunteers for a two-year term on the board ... and yes, ladies you can also volunteer. Members, if you want to have a say in how the club is run, please volunteer. **If interested in a board position please let me know asap.**

Board member duties include making suggestions and voting on Club issues presented by the officers or any board member. Additionally, board members might be assigned to help out in various tasks needed by the Club. So please volunteer and be involved with the club. **As I have ended all my monthly memos ... this is your Club and the Club can only be successful and continue with your involvement.**
