

PRESIDENT'S MONTHLY MEMO

I would like to start this month's memo by reminding everyone that our election of officers and board members is coming up in our June 22nd board meeting. So, if you have not voted please do so ... to date I have 45 out of 122 members that have voted. Having said this, I still have one board position open for anyone interested in having a say in the club. If interested please contact me asap.

The summer months activity schedule has been reduced. However, we have a number of special events planned as follows:

- May 27 ... Memorial Day Parade
- June 29 ... Jonathan Dickinson State Park cruise and picnic
- July 20 ... a lunch cruise to lakeside Grill in Okeechobee
- Aug 18 ... our popular poker run
- Sept 27-29 ... Bahama House Daytona weekend

Please visit our website or read our newsletter pertaining to all our upcoming events.

Shortly I will be emailing you a reminder of our club dues that are due by June 30, 2024. The dues remain at \$50 for our calendar year of July 1, 2024 to June 30, 2025. If you intend to renew, please mail your check as instructed in my email prior to June 30. Late renewals just cause additional work for Clarence our Treasurer ... so please be considerate and mail your renew prior to June 30th.

Lastly, since I will be stepping down as President, and this being my last monthly memo, I would like to thank all the members that supported me over the past five years. Thanks to your help we have accomplished a lot in the five years and with your help and understanding we were able to get through the Covid period and keep the club together. THANK YOU.

Members, as I continue to say, this is your club and the Club can only be successful and continue with your involvement.

Jerry Petriw
